You're Beautifully Made, Inc advocates and provides community-based programs and services for youth and adults through collaborations with individuals, organizations, and community leaders. We offer support, education, skill building and structured programs, and community engagement to help those we serve flourish and be successful in all aspects of their life.

## Vision

You're Beautifully Made, Inc will build character, self-esteem, and increase knowledge in those we serve to help them lead productive lives.

On March 23, 2025, You're Beautifully Made, Inc will host our 5th annual Women's History Month event "I am My Sister's Keeper". Our event will provide a space for women to engage in a conversation led by an all women panelist. The event will focus on the importance of support, accountable, and encouraging each other.
